

How can I get jobs alert to my email?

Click on **"Job Alert and Save Search"** menu in **Job Seeker Menu** and click on **Create New Button**

There will be a form like picture below for you to fill in save your alert style.

A screenshot of a 'Filter Information' form. The form includes the following fields and options:

- Job Search Title**: A text input field with a red asterisk and 'Required field' label.
- Find Keywords**: A text input field.
- Job Must Match**: Radio buttons for 'Any Of My Keyword' (selected), 'All Of My Keyword', and 'This Exact Phrase'.
- Categories**: A list of categories with checkboxes, including 'Accounting / Finance and Audit', 'Administrative / Secretary and Reception', 'Advertising and Media', 'Agricultural / Food Science', 'Architecture / Engineering & Mechanics', 'Arts / Entertainment', 'Assistant and Support', and 'Automotive'.
- Locations**: A list of locations with checkboxes, including 'B MeanChey', 'Battambang', 'K Cham', 'K Chhreang', 'K Sorn', 'K Speu', 'K Thom', and 'Kampot'.
- Job type**: A dropdown menu with 'All' selected.
- Job Posted In The Last**: A dropdown menu with 'All' selected.
- Job posted by**: A dropdown menu with '(Select employer)' selected.
- How Often Do You Want To Receive Suitable Jobs Via Email?**: A dropdown menu with 'None' selected.
- Buttons**: 'Save' and 'Cancel' buttons at the bottom.
